"Having one on one sessions really allowed me to focus and I felt both mentally and physically rejuvenated after them. I have taken many valuable lessons away from these individual teachings and strongly recommend Nani as a teacher."

- Victor Tilley (Tasmania, Australia)

"Practicing with Nani is like dropping into a deep portal beyond space and time. Her yoga practice is highly devotional and gets me zoned into the present moment like not many can do. Her commitment to this work is clear by her physical strength and knowledge of yoga yet her superpower is that she always comes from the heart and projects an unconditionally loving energy."

- Azzurro Mallin (L.A., California)
